

ActionListener

```
classDiagram
    class ActionListener
    class WindowButton3Listener["Window.Button3Listener"]
    WindowButton3Listener --|> ActionListener
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box with a thin gray border containing the text "ActionListener". Below it is a gray rectangular box with a thick black border containing the text "Window.Button3Listener". A solid blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating that Window.Button3Listener inherits from ActionListener.

Window.Button3Listener
